

## MAP Fellowship Application Questions

Thank you for your interest in applying to the Morgridge Acceleration Program (MAP) Fellowship. Applications are reviewed on a rolling basis, and candidates are highly encouraged to submit their materials as soon as possible. All final candidates will have an interview directly with the mentor associated with the challenge to which they're applying. Some may have a preliminary interview with a member of the MAP Fellowship team. Due to the high volume of applicants, the program is unable to interview everyone who applies or provide feedback on the process.

Below is an outline of information you'll be asked to provide in the [MAP Fellow application](#). **You will also be asked to identify which MAP Challenge you are applying to, providing a second choice as well as an option to be considered for others.** Your application must be received before 11:59 PM MT on Wednesday, July 28th, 2021.

  - **Question One:** If you were to be selected as a MAP Fellow, how would you approach the first 30, 60, and 90 days of the challenge to which you're applying? If you're applying to more than one challenge, please apply this question to your top choice.
